## Decograin options

Decograin is available in five natural-looking timber designs and with an anthracite metallic effect. An embossed wood grain gives it an authentic timber character. The door remains beautiful for a long time thanks to the special surface protection of the UV-resistant plastic film coating on the outside of the steel sections.

Decograin Golden Oak: Medium brown, golden yellow oak design

Decograin Dark Oak: Walnut-coloured oak decor

Decograin Night Oak: Dark intense oak design

Decograin Rosewood: Mahogany-coloured timber design

Decograin Winchester Oak: natural-coloured knotty oak design

Titan Metallic CH 703: Anthracite with a metallic effect
